

MOBILE PHONES – STUDENT USE

PURPOSE

To explain to our school community the Department's and Canterbury Primary School's policy requirements and expectations relating to students using mobile phones and smart watches during school hours.

SCOPE

This policy applies to:

1. All students at Canterbury Primary School and,
2. Students' personal mobile phones and smart watches brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone, including smart watches.

POLICY

Canterbury Primary School understands that students may bring a personal mobile phone or smart watch to school, particularly if they are travelling independently to and from school.

At Canterbury Primary School:

- Students who choose to bring mobile phones and/or a smart watch to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones – Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Canterbury Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Canterbury Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Canterbury Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone or smart watch to school, Canterbury Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Canterbury Primary School students are required to hand in their mobile phone and/or smart watch to their classroom or specialist teacher at the beginning of the day, and collect them at the end of the day. Alternatively, students can hand in their mobile phone and/or smart watch at the front office if they wish.

Enforcement

Students who use their personal mobile phones or smart watch inappropriately at Canterbury Primary School may be issued with consequences consistent with our school's existing student engagement policies, including our *Student Wellbeing and Engagement*, *Code of Conduct* and *Bullying* policies, available on our school website.
